CONTINUES to make and ſell WHIPS and CANES of every kind, has always a very extenſive aſſortment of theſe articles. By having the beſt materials, and employing experienced workmen, with a ſteady application to buſineſs himſelf, he hopes to give full ſatisfaction to his cuſtomers.

N. B. The great encouragement he has met with, enables him to extend his buſineſs, by which he has the pleaſure to inform his friends and cuſtomers, that he can now ſerve them on lower terms than formerly; thus while they encourage his manufacture, they put it in his power, to render it their intereſt to deal with him.
